

MIRCIM 2025

McMaster International
Review Conference
of Internal Medicine

10TH EDITION
8-10 MAY 2025
KRAKÓW, POLAND

MIRCIM 2025 invitation

On behalf of the Organizing Committee, I would like to invite you to the **10th McMaster International Review Conference of Internal Medicine (MIRCIM 2025)**, which will take place in **Kraków, Poland**, on **May 8-10, 2025**.

The 10th anniversary celebration will feature twice as many lectures and speakers, making this our most comprehensive edition yet.

MIRCIM 2025 spans **3 days and offers 11 sessions with over 60 lectures**. All presentations emphasize the practical applicability of discussed topics, with clear take-home messages for the audience.

As an annual conference, MIRCIM provides concise, focused updates on key medical developments from different specialties and translates them into hands-on recommendations for practitioners.

The detailed program and registration are available at www.mircim.one. The 2025 edition will be accompanied by special sessions:

- McMaster Annual Update in Cardiology 2025
- McMaster Annual Update in Rheumatology 2025
- McMaster Annual Update in Diabetology & Endocrinology 2025
- Artificial Intelligence in Medicine 2025
- Medical Education Forum 2025
- Young Talents in Internal Medicine World Contest 2025

The lineup of MIRCIM speakers is an outstanding assembly of world-renowned medical experts, from authors of clinical practice guidelines to researchers behind breakthrough trials that shape modern medicine.

MIRCIM is particularly relevant for general internists, subspecialists, hospitalists, family physicians, residents and fellows in training specializing in internal medicine.

We hope to see you at MIRCIM 2025!

Sincerely yours,

Piotr Gajewski MD PhD FACP

President, Polish Institute for Evidence Based Medicine

Vice President, Polish Society of Internal Medicine
